Axon

Axon is a network of devices, apps, and people that helps law enforcement become smarter and safer. Our mission is to protect life. Our technologies give law enforcement the confidence, focus, and time they need to keep their communities safe. Our connected body cameras and evidence-management cloud allow police officers to work effectively and transparently, and our TASER Smart Weapons protect life without taking it.

We work hard for those who put themselves in harm's way for all of us. More than [180,000](#) ^[1] lives and countless pounds have been saved with Axon's network of devices, apps and people. Learn more at uk.axon.com
